Term 2 Week 8

Monday 18th June 2018

Planting a Firm Hand on Education in Hospitality and Agriculture

Steven Ashford

PRINCIPAL'S NOTES

Cross Country

Bailey Tincknell and Malcolm Hellyer represented our school extremely well at the recent Cross Country event in Geurie. Bailey Thompson was successful in making it to State for the second year in a row. Well done!

Netball Clinic/Rugby Union Clinic

We are fortunate in having the Netball and Rugby Union Clinics running each week. Many thanks to Mrs Skinner and Mrs Norwood for organising these opportunities for our students.

Years 9 & 10 ASPIRE

Next week our Year 9 and 10 students will take part in the University of NSW ASPIRE events in Sydney. The events are ASPIRE Connect and STEM events. Mr Newberry will be supervising the groups.

Life Education Van

In Week 10, Healthy Harold and the Life Education Van return to our school. The students are able to purchase items on Wednesday 4th and Thursday 5th July.

Core Value-RESPONSIBILITY

This week on Wednesday's Assembly, our students will present the Core Value RESPONSIBILITY. The students are asked what the value means? How people behave who are responsible? How people feel they demonstrate responsibility?

Student Assistance

Attached to the newsletter is an application form for student assistance if required. Please be assured that this is confidential.

Mrs Julie Waters

Emma Adams, Ella Hartley, Jacqueline Rogers, Skyla Mulligan and Abigail Rogers shared their feelings about the Core Value - CARE

Kindergarten

Well done on a great assembly item Kindergarten. I really enjoyed teaching Kindergarten “Wirradjuri” and they enjoyed sharing it with everyone. This week is another busy one for Kindy. We will be working on correct sentence construction during writing and keep developing our reading skills. We are looking at “Area” in Mathematics. We will continue to work on our Paper Mache dogs for Creative Arts. We are moving onto another Science unit looking closely at the weather. I hope you all enjoy the week.

C Burns

Year 1/2

Last week we observed our beans growing and discovered they are sprouting roots! We drew the changes and wrote about them in our Science journals. On Friday afternoon, after we had written about the changes from the bean experiment, we began a new experiment where we will be growing grass heads. We started by putting some soil into a stocking, then we added a teaspoon of lawn seeds before tying the stocking up. We placed the stocking into a bowl labelled with our name and put them on a desk at the side of our room to be watered. We are hoping that our grass heads will begin to sprout by the end of the week so we can draw them and write about them in our Science journals.

S Semmler

Year 3/4

We are flying through the weeks and up to Week 8 already! Our class is really enjoying listening to a series of stories written by Judy Blume. We are currently up to our fourth book in the series, “Fudge-A-Mania”. This week our spelling focus is the long “i”; “i-e” as in fine, “y” as in fly, “igh” as in night “i” as in kind and “ie” as in pie. We will continue to work on solving written Maths problems and look at division linked to multiplication. Each week we are improving our netball skills and have learnt some new skills games. We have just about finished our Winter Artwork – just in time to match this wonderful winter weather we are having! Stay warm and have a great week.

V Parnaby

Year 5/6

In Literacy this week we will be focusing on Creative Writing. We will be writing numerous short stories under a time limit. This is for the students to gain an understanding of what it is like to write under a time limit. This will help the students’ under exam conditions when they enter Secondary.

For spelling we are focusing on the “n” as in “no” and the “ng” as in “King” sound. These two sounds are placed together as they are similar and both have minimal graphemes.

This week in Maths we are continuing our focus on time. We are focusing specifically on word problems and how time management is a very important part of life. We will have a test this Wednesday on the topic which I am sure the students will go well in.

Just a reminder that our Netball Clinic is on this Friday again. It has been very successful over the past couple of weeks with all students participating willingly.

N Ptolemy

Homework Centre

The examinations are now over and so as a result the homework centre is finished for this term. It will resume again in Term 3 in a new format, as the teaching staff are reviewing it, and we will send out the information early Term 3.

News from the Lab

It's been a frantic term in the Lab, but here are some great pictures of Mrs Semmler's class helping out Lachlan Howarth to complete his major research project in regards to germs and hand cleaners.

Book Club

Orders are due back

Tuesday 19th June.

Book Club has taken off this year and we love it!! Check out the sales figures from last year to this year:

2017 - \$409 (all year) 2018 - \$1,895 (so far!)

Rugby 7's Shield Day Coonabarabran

On Wednesday 13th June, students from Mendooran Central School travelled to Coonabarabran to combine with other small schools in the area; competing for the Rugby 7's Mahalia Murphy Shield (Girls) and the Megan Clifton Shield (Boys).

Connor Hughes-Ticknell and Stephen Eyles played many back-to-back games combining with both Baradine and Coonamble High Schools respectively to end their day winning the Under 15's Grand Final alongside Coonamble.

Amy Adams spent the day on the field with Baradine and assisted her team through to win the Under 15's Girls' Grand Final.

Cameron Bowler and James Eyles, both of whom played opens for the day, combined with Coonabarabran and played some strong competition.

A huge thankyou to Mandy Eyles who transported and supported the students throughout the day; and to Far West Development Officer Luke Mack for his organisation and support in both the lead up to and during the day.

Congratulations, everyone represented our school with great pride and fantastic sportsmanship.

D Skinner

Sam Chatfeild (Dubbo), Bailey Thompson and Corey Warwick (Dubbo) compete at the Western Cross Country Carnival, 13th June.

Western Cross Country

Congratulations to Bailey Tincknell, Malcolm Heyller and Bailey Thompson who travelled to Geurie last Wednesday to compete in the Western Cross Country. Both secondary boys competed in their event with multiple other students in their age group. Well done on making it to Western and completing the track.

Bailey Thompson competed in his event with determination and has successfully gained a place in the State Carnival to be held at Eastern Creek early next term. Congratulations Bailey, keep training!

Secondary 7s League

On Wednesday, nine Secondary students will travel to Apex Oval in Dubbo to compete in the 7 a side Rugby League Competition. Good luck boys.

Community News

MENDOORAN PONY CLUB

Well done to Belle, Anna and Victoria competing at Expo, they all did so well.

Yesterday's Rally was cancelled due to the inclement weather conditions. Thank you to everyone who let me know that they would be attending.

Please get your nominations in for Zone 4 Show Jumping/Show Riding and Dressage for the 23rd and 24th June weekend at Trangie.

We will soon be having another Working Bee on the containers, I will advise when this will be.

Dubbo Pony Club will be having their Gymkhana weekend on the 30th June and 1st July. Program is on the Zone 4 Face Book page.

Remember to compete at events, you need to attend rally days, so let's see lots of riders at the next rally day.

J Smith

MENDOORAN TENNIS CLUB

There will be no Kids Tennis today due to the weather. Tennis will be back on next Monday at 3:30pm. At this stage, Senior Tennis will be on tonight at 7pm. Our Face Book page will notify any changes along with messages sent to players.
