RUGBY LEAGUE 7'S BATTLE THEIR WAY THROUGH INJURY INTO THE FINALS!

PRINCIPAL'S NOTES

Secondary Rugby League 7's

Mrs Norwood was extremely proud of the nine students she supervised at last weeks' Secondary Rugby League trials in Dubbo. Jaike Mitchell, Connor Tincknell, Stephen Eyles, Bailey Tincknell, Jesse Dennis, Tobias Bowler, Cameron Bowler and water boy Oscar Monk, were a credit to our school and their families! After an incredible effort, battered and bruised, they made it into the final against Merriwa. They lost by a try. Well done boys! Thank you to Mrs Kristie Mitchell and Mrs Mandy Eyles for transporting the boys to Dubbo and back home again.

Central Schools Netball

Eight of our Secondary students will compete in the Central Schools Netball Carnival in Dubbo tomorrow. The group will be supervised by Mrs Skinner. The girls have gained praise for their past performances. Best of luck!

Years 9 &10 Aspire

Some of our Years 9 & 10 students leave for their Aspire Connect and STEM experience in Sydney for the remainder of the week. They join students from neighbouring schools, which is totally funded. Thank you to Mr Newberry, who will be supervising the students.

Life Education Van

Healthy Harold and the Life Education Van will be here next week on Wednesday and Thursday. The students are able to purchase items from the van on these days.

Student Assistance

Attached to the newsletter is an application form for student assistance if required. Please be assured that this is confidential.

Core Values RESPONSIBILITY

As our Whole School Assembly was postponed from last week to this week, we will have students from across the school presenting their thoughts on the core value Responsibility this Wednesday.

Director Instructional Leadership Visit

We were very fortunate to have a visit from Mr Michael Honeywood our new Director Instructional Leadership last Thursday. He has asked our school to be part of a pilot program, where we receive additional support from Student Services. We agreed and we requested support with Wellbeing and Technology around our new School Plan 2018-20. We are looking forward to seeing the positive impact on student outcomes.

Kindergarten

I trust you all had a fantastic weekend and didn't freeze too much. Well done to those students who received silver and bronze awards at Friday's Assembly that is a great achievement. This week we will be focusing on editing in our writing and finishing off our brochures. Mathematics this week we are focusing on Volume and Capacity. This week we will be trying to finish off our paper mache dogs and Child Protection unit of work. I hope you all have a great week.

Year 1/2

Well we have made it to Week 9 of Term 2 already!

Our class Science experiments are growing and changing every day. We have been observing the beans growing in the cups and drawing their changes twice, sometimes three times a week. Our grass heads have begun to sprout! This is very exciting, and we cannot wait until they grow nice thick heads of 'hair' for us to trim.

Please remember that it is getting very cold and students need to have the appropriate clothing for the weather. Many students are running around in the mornings without jumpers or coats. If any property has been lost or misplaced, students need to first look inside and directly outside their classroom, then they need to check up on the stage outside our Year 1/2 classroom as this is where all of the lost property ends up for a few weeks, before finally making its way to the front office.

YEAR 3/4

Well done last Friday to all those Yr 3/4 students who received a Bronze or Silver Award at the Primary Assembly! It is fantastic to notice so many students following the Core Values and displaying exemplary behaviour. This week our Spelling focus is 'n', 'nn', 'kn'. We are revising our addition facts and looking at time conversion between analogue and digital forms. We have our last Netball Skills Session this Friday. Next week we visit Healthy Harold Van.

RUGBY LEAGUE 7'S

On Wednesday 20th June, I had the privilege of taking 9 students across to Dubbo to compete in the Central Schools Rugby League 7 a Side Competition. I am super proud of Jaike Mitchell, Connor Tincknell, Stephen Eyles, Bailey Tincknell, Jesse Dennis, Tobias Bowler, Cameron Bowler and our water boy Oscar Monk who all played extremely well and displayed outstanding sportsmanship on the day.

These boys played 4 round games in which they won 2 and lost 2 placing our school 3rd in the competition. Connor and Jaike had an amazing day scoring numerous tries each, Tobias was our kicker for the day in which his accuracy improved, Bailey and Stephen defended well saving numerous tries and ran hard in our attacking and Jesse and Cameron worked hard on the wings in attacking. Cameron was unlucky in the first game injuring both his knees in a tackle.

Our boys played 3 games without a sub. The play of the day was Tobias intercepting the ball at the oppositions try line to run the full length of the field to score a try. Tobias earned a well-deserved break after that run.

Our boys made it into the final against Merriwa Central School. After a half hour lunch break, our boys were hurting; they reluctantly picked themselves up off the ground and played another game. At half time we were a try a head. Tom injured himself in the second half and Cameron went back on the wing to give him a break. After 2 minutes Tom went back on and Tobias hurt his elbow. Cameron once again had to go back on the wing injured.

We lost by a try, however our boys worked hard until the end bell. Well done boys, Mendooran Central School are very proud of the effort you all put in on the day. Our injuries on the day weakened our strong side. Better luck next year.

DUBBO DISTRICT ATHLETICS CARNIVAL

The following students have made it to Dubbo District on Friday 17th August.

Notes will go home Week 1, Term 3.

Student entries are successful on times and distances, not places at our school carnival.

Good luck to our students competing next term.
