What a busy week ahead!

Starting today, the Library is hosting the Super "Star Reader" Book Fair. Please feel free to come in and visit the Library before school, at lunch and after school to look at the books and purchase any you may like.

We have the Public Speaking Finals and Grandparents Day on Wednesday starting at 11:10am. There will be open classrooms and a sausage sizzle after the speeches. Good luck to our class representative Kelsey Mulligan.

This coming weekend is the Mendooran Show. I hope to see many entries by our students. We will have a school display featuring some wonderful class work.

This week in class we will revise the sound "u" and move onto "l" and "f". In Maths, we have been making "Maths Cakes" by adding single digit ingredients eg. 3 and 2 makes 5.

Have a great week playing in the rain!

V Parnaby

Year 1/2

What a lovely wet start to the week!

We are approaching the Show and the end of the term very quickly so we are busy getting our artworks and work samples completed to our highest standard.

Our focus sound this week is "o" for orange and I have been pleased to see an improvement in our spelling test results as we get into the habit of practising our spelling words effectively each week. Keep up the hard work!

In Science we are researching a "Living Thing" and creating a poster and in History we have enjoyed sharing our family trees and heirlooms with the class; getting to see and learn about some new items we have never seen before!

I am looking forward to seeing parents and grandparents on Wednesday for our special assembly and a look around our school. **On Wednesday all students are to wear full school uniform. Please have students bring their sports uniform to change into after lunch.**

Have a great week!

N Currall

Year 3/4

In Maths we have been learning about the jump strategy, division and probability. We have written a narrative together as a class this week titled 'I Wish'. As a class we discussed the language used to engage the reader. In Science we looked at the life cycles of mammals including the numbat. Our Geography lesson focused on learning about Papua New Guinea and how it is similar and different to Australia. It was wonderful to hear about the excellent sportsmanship from all those who represented our school at Dunedoo last Thursday! Well done everyone.

On Wednesday all students are to wear full school uniform. Please have students bring their sports uniform to change into after lunch.

Roald Dahl - 'The Minpins'*

Year 5/6

In Literacy during Week 9 the students are continuing to focus on Creative Writing. The students will be completing their Narratives as well as exploring and reading a range of different Creative Writing samples in class.

In spelling we are focusing on the short "o" as in chop. I encourage students to complete their homework as this has proven to help in their weekly spelling assessment.

In Maths this week we are starting our unit on Area. The students will be learning how to find the area of a range of different shapes including squares, rectangles, triangles and circles. This means we will be learning about "Pi" and how it is used to find the area of a circle.

It is a very busy week in Mendooran with Public Speaking Finals/Grandparents Day on Wednesday and the Mendooran Show coming up this weekend.

On Wednesday all students are to wear full school uniform. Please have students bring their sports uniform to change into after lunch.

Also good luck to Harrison who is participating in the Primary Cricket Trials this Friday.

I hope everyone has a great week!

Community News

Mendooran Pony Club News:

We had a great little rally day yesterday with just six lovely riders. We did some sporting, flat work and some jumping. It was really hot for both riders and their horses and we will be glad for some cooler weather.

Good luck to all our riders this weekend at Mendooran Show.

Coonabarabran combined training and one day event is on the 13th and 14th April entries through nominate.

Pink Stumps Day

On the 23rd of March 2019 the annual Mendooran Pink Stumps day was held. It was well attended with around 50 people making their way to the field to play and spectate a great community event. After some great cricket the crowd retired to the Mendooran and Merrygoen Memorial Club for some much needed refreshments.

A charity auction was held which included live mud crabs and a raffle of a gift hamper from Hello Gorgeous. A total of around \$2000 has been raised with the final number to be confirmed later this week.

Special thanks to all those involved in organising the day, Craig Devlin, Amiee Jolly, and Nathan Duce. Thank you to all those who helped out on the day, too many to name, and especially to the sponsors who donated, Tony Devlin (DMC meats), Jenelle Stone (Hello Gorgeous), the Mendooran RSL and no doubt many I have forgotten to name.

Hope to see you all there next year bigger and better.
