Kindy visit the Ag plot

On Friday 29th March, the school Ag plot had exciting new members arrive. Kindy had the pleasure of being some of the first to visit and greet the new members of the Ag plot. Mr Standing and his Ag students set chooks earlier this term. On Friday the chickens began to hatch. Lucky for Kindy we had brave Mrs Kelly Duce to collect a chicken for us, there was no way Mrs Norwood was getting in the pen with the cranky chooks. All students had a hold and explained how soft and cute they are. Kindy also had the pleasure of holding "Snow Flake" the white silky chook. Snow Flake liked to flap her wings and some students preferred not to hold her.

Thank you Kelly for helping us and thank you to the Ag students in allowing Kindy to visit.

Please contact the Front Office on (02) 6886 1149 to book your time.

Excursion Information

This year our Secondary Major Excursion will be to Canberra and the snow, leaving on Monday 2nd September and returning to Mendooran Central School on Friday 6th September. Notes were distributed last week and places are limited. If you would like your child to attend please pay the deposit and return the permission note to the office as soon as possible. If you would like your child to attend and you are financially struggling please come and see Mrs Julie Waters. We would hate for your child to miss out. Any student who has been suspended throughout the year is ineligible to attend. If your child has been on a behaviour management card you will need to arrange a meeting with Mr Standing and Mrs Norwood to discuss eligibility to attend the excursion. To help reduce the cost our school will be fundraising during Term 2. Students going on the excursion are encouraged to help as this will reduce the cost of the final payment. The first fundraising is return and earn of cans and plastic bottles. Your family is more than welcome to bring in cans and plastic bottles to the school and place in the allocated bins. Thank you to the Mendooran Show Committee who allowed our school to collect at the show last weekend. I look forward to a busy Term 2 and an even more exciting week at the snow in Term 3.

Sport News

Congratulations to Will Duce and Ashton Harvey who travelled to Dubbo last Thursday to trial for the Dubbo District Touch Football. I have heard you both did an amazing job in the trials and I am waiting to hear back from the convener.

Secondary Sport has been participating in lawn bowls over the last few weeks. We have been having a fantastic time learning the tactical skills of the game. Some students are starting to become very concise with the positioning of their bowl. This week is our last week and we will have a competition to see which pair is the most concise lawn bowler in Secondary. Students are allowed to buy soft drink and chips/chocolates from the Bowling Club this week, so please help to support the Club as they have been very generous in allowing Mendooran Central School to play each week for free. A big thank you to Mr Peter Leask and the Mendooran Bowling Club who have enabled this fantastic opportunity for our students each week.
