Secondary Excursion Fundraisers - Hot Chip Day

Our Secondary students have the opportunity to go to the snow this year. Students will be holding a Hot Chip Day on Tuesday 25th June. Cost will be \$4 for Chips and \$5 for Wedges. Supporting this day will help subsidise this normally expensive excursion.

Please note that raffle tickets have been attached to this week's newsletter for the "trailer load of wood" raffle. If you would like to purchase the tickets, please write your name and phone number on each ticket and return them, along with the money, to the Front Office.

We would appreciate any unsold tickets being returned to the Front Office also.

Colder Weather

As the days become colder it is important that students dress warm and label all items of clothing. There is a lot of ill health around at present.

Save the date! Year 12 Presentation Date

The Year 12 Presentation Day will be held at the school on Tuesday 24th September (Term 3, Week 10). Times will be advised next term.

Signing In

Please remember that all visitors must sign in at the Front Office. This is a WHS requirement and we would greatly appreciate your assistance with this matter.

Kindergarten

This week Kindergarten will say farewell to one of our favourite classmates, James.

We wish James all the very best at his new school and hope he likes it as much as MCS. We hope to hear from you in the future and Happy 6th Birthday for today James!

We are busy reading and writing like champions! This week we will move onto 'y' as in yes and 'x' as in x-ray. We are also looking at area of shapes and numbers 20 to 30.

V Parnaby

Year 1/2

Week 8 will be another busy week of learning.

Spelling will be based around the sounds 'n' as in can, 'nn' as in dinner, 'kn' as in knee and 'ng' as in sing. Please encourage your child to complete their homework sheet and return it to school by Friday. Reading each night is also very beneficial to their learning.

Maths will be about area (the amount of surface area on an object). We will be using informal units to measure the area of objects.

In Science we will continue to investigate the use of different materials in buildings and toys.

In Geography we will be studying rainforests.

I know the children will be well behaved and listen carefully so we can squeeze in some great games between our lessons.

J Elith

Year 3/4

It sounds like everyone had a wonderful time over the long weekend and came back to school well rested. Well done to everyone who took part in the Spelling Bee last week, it certainly takes a lot of confidence to get up in front of people and spell some tricky words. In Spelling this week we are learning about the sound 'ie' as in pie. Our Maths activities will focus on money, 4-digit numbers and 2 dimensional shapes. Our Geography lesson this week will focus on the different reasons why we find places special, whether it be from a childhood memory or a cultural reason. Keep up the fantastic work Year 3/4!

Mrs Milsom – English

Uniform

Winter uniform should now be worn by every student. We have a simple uniform and there is no excuse as to why our students should not be appropriately dressed. Hooded jumpers are *not* a part of our uniform and therefore should not be worn. All uniform is available from the school office for purchase. If you require assistance in purchasing this uniform please do not hesitate to ask. We are able to help supply the correct uniform when needed.

Athletics Carnival Results

Congratulations GOONOO, the winning house for 2019 Athletics Carnival.

Last Friday saw the oval at Mendooran Central School turn into red and blue. Thank you to all the students who dressed up to display house spirit this year. Congratulations to Shaelah Haron from Beni and Victoria Monk from Goonoo winning best dressed for their house this year.

It was great to see the war cry competition this year, Goonoo was very organised with cheat sheets and Beni was directed by Emma Adams, both houses had unique war cries and it was fabulous to hear everyone getting involved. Thank you to Mr Waters for judging and awarded Beni the winner of the bonus 20 points.

The high jump was once again a highlight of the day. Congratulations to all students competing in the finals on the day. It was amazing to see students reaching personal bests on the day, Victoria Monk jumping 1.40m and Tobias Bowler 1.60m, we were privileged to see Mr Ptolemy come out of retirement to jump he retired at 1.55m.

A big thankyou to Mr Waters who has worked very hard marking the tracks out for us. Thankyou to Sharon, Craig and the students who volunteered in the canteen who worked extremely hard preparing and serving food all day. Thank you to all the teachers who recorded, announced and helped out at all stations, without these fantastic hard working people the carnival would not have been so successful.
